A Time for Refreshment, Renewal and Research

Having served on the clergy team at St Peter's in various capacities since June 2002, the Diocese has agreed that I may have a three month sabbatical; to include a modest research project which I hope will be of some use as it looks to the future. I will be away from the beginning of May until the end of July, returning in August to provide clergy cover until I retire on Sunday 16th September. I'm really grateful for this opportunity and it will certainly not all be

work. We have a family gathering in the Forest of Dean to celebrate Caroline's and my Golden Wedding Anniversary, which was actually back in January - but the weather will be better in July (won't it?). We are also planning a retreat week together to help us think and pray through what God's purposes might be for us as we embark on the retirement phase of life this autumn.

The research project that will be the centrepiece for my time away revolves around an aspect of the so called '2030 Vision' for the Diocese. This important initiative is designed to encourage all of us to consider how best to respond to the fact that up to 40% of paid clergy will be gone by 2030. Although new and younger people are coming on stream, there is no way they can fill that gap, so we all need to think about how to reshape the church and its leadership for the years to come, to continue to respond faithfully to God's call to bring the good news of Jesus Christ to every corner of our land. This challenge will be particularly acute in rural areas such as ours, where in many places clergy are already thin on the ground. Looked at another way, rather than being viewed as a threat, this is actually a great opportunity to develop lay leadership and handled well could herald an energising new springtime for the church. No doubt this will be a key theme at the significant Diocesan lay conference taking place this June in Harrogate.

Refreshment, Renewal and Research *(continued from front page)*

My research during the summer will focus on how we can best deploy retired clergy in ways which will help, rather than hinder, the inevitable process of change, cultural as well as organisational, over the next decade or so. The head of the Church Army research department is providing an element of supervision. Apart from a certain amount of reading to familiarise myself with the issues, principles and practicalities, I hope to visit other dioceses to try to tease out best practice, and will also conduct a number face to face interviews in our area.

Your prayers for me, and also for Caroline, during our time away would be greatly appreciated. We trust it will be a time for refreshment and renewal combined with research that will help to make a difference.

Evening Fellowship is an informal gathering with the emphasis very much on fun and fellowship. We are open to adults of all ages, whether or not regulars at St. Peter's. If you are not already a member, do try us out. If you are a member, bring your friends. For further information, or if you have suggestions for our programme, please contact our secretary, Richard Bion on 01423 569701.

St Peter's Evening Fellowship - A Tour of York Minster

Have you ever noticed that the Kings' Screen, which separates the Quire from the rest of York Minster, is asymmetric? But why is that? Paul Medforth, an Evening Fellowship member and a York Minster Guide, may know the answer. He is starting off this year's programme with an informative and interesting talk into the history and life of this ancient building this Thursday 3rd May at 7:30 pm in the Brostoff Hall. Everyone welcome!

PETs Fundraising Refreshment Day

Just to let you know that the Parish Events Team (PETs) have decided to cancel our next Refreshment Day on Saturday 19th May. Unfortunately when we choose the date, we had no idea we would be sharing it with the Royal Wedding and the FA Cup Final! Therefore our next one will be on Saturday 21st July. We are always in need of volunteers for an hour or two on the day and bakers to make delicious homemade cakes. If you think you might like to get involved please drop me a line and I can tell you more about it, or add you to our database of volunteers.

The Collect for the Fifth Sunday of Easter

Almighty God, who through your only-begotten Son Jesus Christ, have overcome death and opened to us the gate of everlasting life:
grant that, as by your grace going before us you put into our minds good desires, so by your continual help we may bring them to good effect;
through Jesus Christ our risen Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

or

Risen Christ, your wounds declare your love for the world and the wonder of your risen life: give us compassion and courage to risk ourselves for those we serve, to the glory of God the Father.

St Peter's gives out food parcels every day to those in need. Please, when you do your shopping this week, remember to pick up something extra - tinned food, a packet of tea, biscuits or toiletries - to bring to Church next Sunday to put in the hamper.

Green Your Life eco tip of the week

April – in the bathroom

Switch to eco cleaning products which biodegrade in the sewerage system and don't damage aquatic life in our rivers and seas. They also contain less harmful chemicals for us too.

New to St Peter's? Please fill in one of the welcome cards in the pews and hand it to one of the clergy.
