WRITE FOR RIGHTS

AMNESTY
INTERNATIONAL

When we all act together, we are more powerful. That is the driving force behind **Write for Rights**, Amnesty's global campaign and the world's biggest human rights event.

The people we are helping today want to make the world a better place. They are demanding justice, and human rights for all. Many have been imprisoned, disappeared and attacked.

Every year, millions of individuals write letters, sign petitions and organise events. And it works! People are freed, justice is served, and the world becomes a better place. Every action counts – and these people need our

help. We need to act now! Last year, hundreds of thousands of people around the world took part in **Write for Rights 2019**, sending more than 6.5 million messages of support and appeals to authorities.

How Write for Rights can change a life:

Magai Matiop Ngong (*pictured here*) was just 15 when he was sentenced to death in South Sudan. Supporters sent more than 765,000 messages to President Salva Kiir urging him to commute the sentence and expressing their solidarity with Magai. On 14th July 2020, Magai's death sentence was commuted and on 29th July he was removed from death row.

Amnesty International is a global movement of more than 7 million people in over 150 countries and territories who campaign to end abuses of human rights. We campaign for a world where human rights are enjoyed by all.

To find out more and to add your voice to **Write for Rights 2020** visit <https://www.amnesty.org.uk/write-for-rights> or pick up a leaflet in Church.

Hannah Beck has been nominated

Hannah, one of our Lay Readers, has been nominated for the BIG Thank You Awards in Yorkshire for her work with the food ministry at St Peter's Church, providing hot meals and food parcels throughout the pandemic. The virtual awards ceremony will take place on 11th December, when the winners will be announced. Good luck, Hannah!

St Peter's Ladies who Lunch

The Ladies who Lunch had planned to meet on 16th December, but as Harrogate is now in Tier 2 and no mixing of households is allowed in restaurants or cafés, we have had to reluctantly cancel our December meeting. Sue Heapy and Marian Chambers wish all our members a Happy Christmas and hopefully we will all be able to meet up again in 2021.

The Light Shines

Just a reminder that if you are joining in with *#thelightshines* organized by the Harrogate Hub, you need to register your entry by **Friday 11th December** if you want to be included in 'the light trail map'. From 18th December all the houses or buildings taking part will be plotted onto a map which will be posted on the Harrogate Hub website and Facebook page, so people can find your fabulous window displays. As you can see St John's & St Luke's in Bilton are ready. To get

involved visit <https://theharrogatehub.org/thelightshines>.

International Human Rights Day – 10th December 2020

2020 theme: Recover Better – Stand up for Human Rights

This year's Human Rights Day theme relates to the COVID-19 pandemic and focuses on the need to build back better by ensuring Human Rights are central to recovery efforts. We will reach our common global goals only if we are able to create equal opportunities for all, address the failures exposed and exploited by COVID-19, and apply human rights standards to tackle entrenched, systematic, and intergenerational inequalities, exclusion and discrimination. 10th December 2020 is an opportunity to reaffirm the importance of human rights in re-building the world we want, the need for global solidarity as well as our interconnectedness and shared humanity. To fully recover and build back a world that is better, more resilient, just, and sustainable we need to:

- **End discrimination of any kind:** Structural discrimination and racism have fuelled the COVID-19 crisis. Equality and non-discrimination are core requirements for a post-COVID world.
- **Address inequalities:** To recover from the crisis, we must also address the inequality pandemic. For that, we need to promote and protect economic, social, and cultural rights. We need a new social contract for a new era.
- **Encourage participation and solidarity:** We are all in this together. From individuals to governments, everyone has a role in building a post-COVID world that is better for present and future generations. We need to ensure the voices of the most affected and vulnerable inform the recovery efforts.
- **Promote sustainable development:** We need sustainable development for people and planet. Human rights, the 2030 Agenda and the Paris Agreement are the cornerstone of a recovery that leaves no one behind.

Find out more about this year's theme at the [United Nations website](http://www.un.org) www.un.org.

The Collect for the Second Sunday of Advent

O Lord, raise up, we pray, your power and come among us, and with great might succour us; that whereas, through our sins and wickedness we are grievously hindered in running the race that is set before us, your bountiful grace and mercy may speedily help and deliver us;
through Jesus Christ your Son our Lord, to whom with you and the Holy Spirit, be honour and glory, now and for ever.
