## Week of Prayer for Christian Unity – 18<sup>th</sup> to 25<sup>th</sup> January 2021

### Week of Prayer for Christian Unity 2021

The Week of Prayer for Christian Unity in 2021 has been prepared by the Monastic Community of Grandchamp in Switzerland. The theme that was chosen, '*Abide in my love and you shall bear much fruit*', is based on John 15:1-17 and expresses Grandchamp Community's vocation to prayer, reconciliation and unity in the Church and the human family.

Today the community has fifty sisters, all women from different generations, Church traditions, countries and continents. In their diversity the sisters are a living parable of communion. They remain faithful to a life of prayer, life in community and the welcoming of guests. The sisters share the grace of their monastic life

with visitors and volunteers who go to Grandchamp for a time of retreat, silence, healing or in search of meaning.

For 2021, the sisters are inviting churches across the world to enter into their tradition of prayer and silence that is rooted in the ancient traditions of the Church catholic. Each day there are two readings from the Bible, a meditation, a prayer, some questions and a 'go and do' section (provided by Christian Aid) on a particular theme – for example the theme on Day 1 is *Called by God*.

For 2021, due to the coronavirus pandemic, the resources are available to [download](#) only from the Churches Together in Britain and Ireland website.

## Congratulations to Michael and Jane Bell!

Many thanks to Michael Bell for sending in this lovely photograph. Michael writes, "The time certainly has flown since, on a still, sunny morning, we were in St John's Church, Margate, getting married on 9th January 1971, later driving by a smooth, calm sea to our seafront reception. COVID made sure the day was a quiet one, but when this pandemic is over we'll celebrate in finer style."

## Online Arthritis Action Groups

## Plough Sunday message from the Bishop of Ripon

Last year, the Bishop of Ripon, Helen-Ann Hartley blessed a ploughshare during the Plough Sunday service which was attended by some 250 people including the Lord Lieutenant of North Yorkshire, Mrs Johanna Ropner, representing Her Majesty the Queen, pictured here with the Very Revd John Dobson, Dean of the Cathedral, and the Bishop. The service dates back to the Middle Ages when the ploughs

were blessed, and prayers offered for God's continuing providence for the agricultural year ahead. But with the traditional service unable to take place this year, Bishop Helen-Ann has made a short film on YouTube to mark the important event, which you can view [here](#).

The new Covid-19 variant is spreading fast. Around 1 in 3 people with Covid-19 don't have any symptoms, but can still pass it on, putting people at risk and a renewed pressure on our NHS.

Everyone must stay home. If it's essential to go out, remember wash your hands, cover your face and make space.

### A prayer for the Blessing of the Plough

*Blessed are you, Lord God of all creation:  
for in your abundant care you have given  
us fertile land, rich soil, the seasons in their  
courses.*

*You provide seed for sowing, water, light  
and warmth to bring forth the miracle of  
growth.*

*You give us skill to work the land, to  
prepare and nourish it, that it may be  
fruitful.*

*By your blessing, let this plough be a sign of  
all that you promise to us.*

*Prosper the work of our hands and provide  
abundant crops for your people to share.*

*Blessed be God, Father, Son and Holy Spirit.  
Blessed be God for ever.*

*God speed the plough.*

*God speed the plough.*

**Amen.**

# Holocaust Memorial Day – 27<sup>th</sup> January 2021

The theme for Holocaust Memorial Day (HMD) 2021 is **Be the light in the darkness**. It encourages everyone to reflect on the depths humanity can sink to, but also the ways individuals and communities resisted that darkness to 'be the light' before, during and after genocide.

## Darkness today

Denial is one of the common features of every genocide. Often those responsible for genocide will restrict access to physical locations and evidence and seek to obscure their intentions and genocidal activity.

Today, denial of the Genocide in Bosnia is prevalent across Bosnian society. The current Mayor of Srebrenica, Mladen Grujicic, denies that the murder of Bosniak men and boys was genocide, and perpetrators have been lauded. In 2016, university halls in Pale, near Sarajevo, were officially named after Radovan Karadžić (*pictured right*) just days before he was found guilty on charges of genocide and war crimes. In 2019, Bosnia's current Serbian president, Milorad Dodik, called the genocide a 'fabricated myth'.

Prejudice and hostility against people based on their identity continues to hurt people and communities here in the UK. The number of hate crimes recorded by police in England and Wales rose by ten percent in the year October 2018 to October 2019, and for the seventh successive year since 2012.

The highest rises were in crimes against disabled people, LGBTQ+ people, and those of different races. The **Tell MAMA's** report on the impact of the 2019 Christchurch mosque shootings showed a sustained rise in anti-Muslim incidents in the UK recorded by them and police forces. It is everyone's responsibility to tackle the attitudes and actions which harm others, for a safer, better future.

Identity-based hostility also continues to mar societies around the world. The continuing injustices and atrocities faced by groups such as the Rohingya in Myanmar, and Uighur Muslims in China, require world leaders to take action.

*Hundreds of thousands of Rohingya Muslims fled the violence in Myanmar and sought refuge in Bangladesh. Now the Bangladeshi government plans to 'relocate' them to a remote island.*
