Holocaust Memorial Day 2026: *Bridging Generations*

Each year, Holocaust Memorial Day (HMD) on 27th January is shaped by a specific theme that guides how we remember, reflect and learn. The theme for HMD 2026, *Bridging Generations*, is a call-to-action. A reminder that the responsibility of remembrance doesn't end with the survivors - it lives on through their children, their grandchildren and through all of us. This theme encourages us all to engage actively with the past - to listen, to learn and to carry those lessons forward. By doing so, we build a bridge between memory and action, between history and hope for the future.

As the years pass, we're growing more distant in time from the Holocaust and from the other, more recent genocides. That distance brings a risk – memory fades and the sharp reality of what happened becomes blurred, abstract or even questioned.

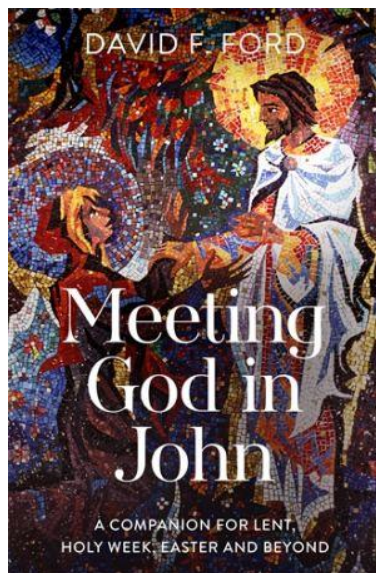

Eva Clarke BEM (*pictured here*) was born on 29th April 1945 at the gates of the Mauthausen concentration camp – less than a week before liberation by the US Army and weighing just three pounds. Her father, Bernd, and fourteen

members of her family were murdered at Auschwitz. Thanks to her mother, Anka, she survived and after the war they came to the UK and settled in Cardiff. In 2000, Eva began publicly sharing her mother's experiences. She is driven by the belief that the lessons of the Holocaust must never be forgotten. In 2019 she was awarded the British Empire Medal (BEM) for her dedication to Holocaust education.

Bridging Generations highlights the crucial role of the next generation in preserving the memory of the Holocaust and carrying it forward. It highlights the power of intergenerational dialogue – of listening to those who came before us and of sharing those stories with those who come after. In doing so, we don't just preserve memory – we connect it to the present.

St Peter's Afternoon Fellowship meets on the first Tuesday of the month from 2:00 - 4:00 pm at Church. There is usually a speaker, or sometimes an entertainer, and always a delicious afternoon tea. The next meeting is on Tuesday 3rd February. Call Leigh Thompson 01423 884 899 or 07824 747 912 if you would like to come.

Evening Fellowship at St Peter's

We are sad to announce that the Evening Fellowship at St Peter's has ceased as we no longer have sufficient committee members to organise and plan meetings. The origins of the Evening Fellowship date back to the early 1960's. It was initially the Young Wives Group with many members being mothers of children at St Peter's School. Within a few years it became the St Peter's Women's Fellowship. Men were later welcomed to the group, and the Evening Fellowship came into being. Whilst it had its roots in Christian fellowship and has played a valuable role in the pastoral care of St Peter's, it was also open to anyone over the age of 18, church member or not. Meeting once a month, we have had many wonderful speakers over the years as well as outings and social events. It would be good to consider this as a 'pause' and if anyone is interested in the running of the Fellowship please speak to a member of the Clergy. Our thanks go to all who have supported the Evening Fellowship during its long history.

A bittersweet farewell to Chris and the Clayton family

The members of St Peter's Church came together last Sunday to say goodbye to our Associate Vicar, Chris Clayton, and his family at a Parish Lunch in Church. A truly magnificent spread was prepared and served by Catherine Medford, Siân Lockwood and their team – thank you all for your hard work! Chris and Sam were presented with flowers, a frying pan (Chris was delighted) and a cheque to help them settle into their new home. Their sons, Alexander and Daniel, also received some vouchers. Chris will be licensed in his new role at 7:00 pm on 25th February at St Margaret's Church, Horsforth. Everyone is welcome!

O God, who, through the preaching of the blessed Apostle Saint Paul, hast caused the light of the Gospel to shine throughout the world: Grant, we beseech thee, that we, having his wonderful conversion in remembrance, may shew forth our thankfulness unto thee for the same, by following the holy doctrine which he taught; through Jesus Christ our Lord.

Bishop Sarah Mullally becomes the Archbishop of Canterbury

Bishop Sarah remains Bishop of London until her Confirmation of Election this week at St Paul's Cathedral on 28th January 2026, at which she will legally become the 106th Archbishop of Canterbury.

Her Installation as the Archbishop of Canterbury will take place at Canterbury Cathedral on Wednesday 25th March 2026 - The Feast of the Annunciation, which celebrates the day the Angel Gabriel told Mary she would be the mother of Jesus.

Historically known as an enthronement, the Installation marks the symbolic start of the Archbishop of Canterbury's public ministry in the Church of England and across the Anglican Communion. Rooted in centuries of tradition, the service will look forward with the hope of Jesus Christ - and celebrate the diversity of the Church of England, the nation and the Anglican Communion today.

Archbishop Sarah will be installed on the Cathedral Chair (Cathedra) as the Diocesan Bishop of the See of Canterbury, the oldest diocese in the English church.

Following this, she will be installed on the Chair of St

Augustine (St Augustine Cathedra) as Primate of All England, which also symbolises her ministry in the Anglican Communion. Details about the Installation service will be shared in the lead up to the service.

St Peter's Eco Church Group *Top Tips* for living sustainably!

At this time of wintry weather, we begin our '*Top Tips*' with ideas on energy use in the home. Renewable energy sources, such as wind power, are being developed, but we still rely heavily on non-renewables (e.g. gas). The more we use, the more we deplete our precious world's finite resources. The Eco Church Group and the PCC are currently monitoring the use of energy for heating our church building. Meanwhile, we can each take practical steps to reduce energy use at home, which may save us money on our household bills. Here are some *Top Tips* from the energysavingtrust.org.uk:

- ❖ Put draughtproofing round windows and doors
- ❖ Avoid using a tumble dryer
- ❖ Switch appliances off 'standby'
- ❖ Don't linger in the shower (4 minutes is suggested!)
- ❖ Insulate hot water tanks and pipes

If anyone has further eco tips to add, do send them to me at k.e.richards@hotmail.com.
